<u>Sports Shoes from Ketto</u> <u>Campaign Distributed to Kids</u>

Pro Sport Development's (PSD) #Shoes4Sport campaign to equip Khel Vikas (KV) athletes with running shoes culminated with the procurement and distribution of these shoes to children in all four of Gram Vikas' residential schools.

The joy on the faces of the children while receiving their brand new shoes was immensely pleasing. As we went above our fundraising target for the campaign, we were able to purchase a greater number of shoes for additional athletes, than the 250 initially planned. We would again like to thank everyone who supported the campaign to help the KV athletes realise their sporting ambitions, with particular mention to Ebaco India and Steven Dass for their generous contributions
