

PSD Kickstarts KBC campaign Phase 1 Sports Camps

PSD in collaboration with PRIA (Society for Participatory Research in Asia) and MFF (Martha Farrell Foundation) kicked off the Kadam Badhate Chalo (KBC) campaign Phase 1 sports camps in 3 different locations, covering a total of 194 youth, of which 90 were girls and 104 boys.

The camps began in Najafgarh, Delhi, then moved to Chitrakoot and Banda in Uttar Pradesh. The Phase 1 sports camps focused on utilizing fun and engaging sports games to overcome inhibitions among the youth groups, building a lasting bond between them and transfer the core values of sport such as leadership, fairplay, camaraderie, equality, teamwork & communication.

The camps will move to other locations in the coming months, including Sonapat and Panipat in Haryana, Jhansi in Uttar Pradesh, Muzaffarpur in Bihar and Raipur in Chattisgarh.

PSD Project Update at RDT, Anantapur

PSD is currently in the process of setting up RDT's Anantapur Sports Academy (ASA) website, which will provide stakeholders with relevant and up-to-date information solely about RDT's sports sector. The website should be live by February 2016.

The past month has seen PSD document the AITA (All India Tennis Association) Talent Series championship hosted by ASA at the Nadal Education & Tennis School for U-12 & U-16 boys and girls. Moreover, PSD highlighted the success of the ASA's Cricket Academy at the Tiruppur cricket tournament held in Tamil Nadu as well as the visit of Rob Van Nes from One Million Hockey Legs, a grassroots hockey development initiative, to RDT's ASA. Finally, PSD showcased the brilliant work being undertaken by ASA in improving the lives of children through sport, at its Bathlapalli development centre.
