

PSD Conducts Workshop for Andhra Cricket Association

PSD completed the evaluation of the three Andhra Cricket Association (ACA) youth academies, and conducted a 2-day training workshop for the academies' coaches, administrators and support staff on the 14th & 15th of October, 2016 in Mangalagiri.

The workshop started with the presentation of the Whitepaper Report on the ACA academies, prepared by PSD based on its evaluation. The Report, outlining the current state of the administration and management of the academies, as well as providing a comprehensive list of future recommendations, was presented to Mr. Arunkumar, Hon. Joint Secretary of ACA,

The workshop was delivered to 15 of the academy staff gathered from all 3 ACA academies, in the presence of Dr. Kinjal Suratwala, GM of Game Development, ACA. The workshop addressed some of the administrative and operational issues across the Academies, and aimed to equip the staff with systems and structures that they could adapt at each of their academies to overcome these issues.
